CANDLES & PIVOTS

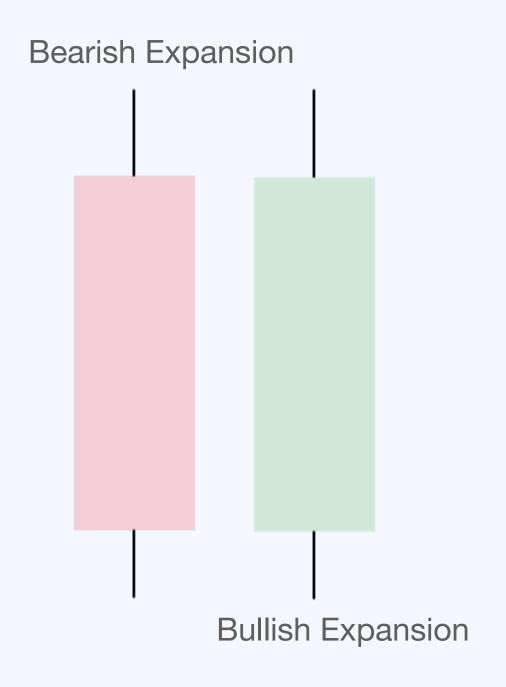

#### CANDLE ANATOMY

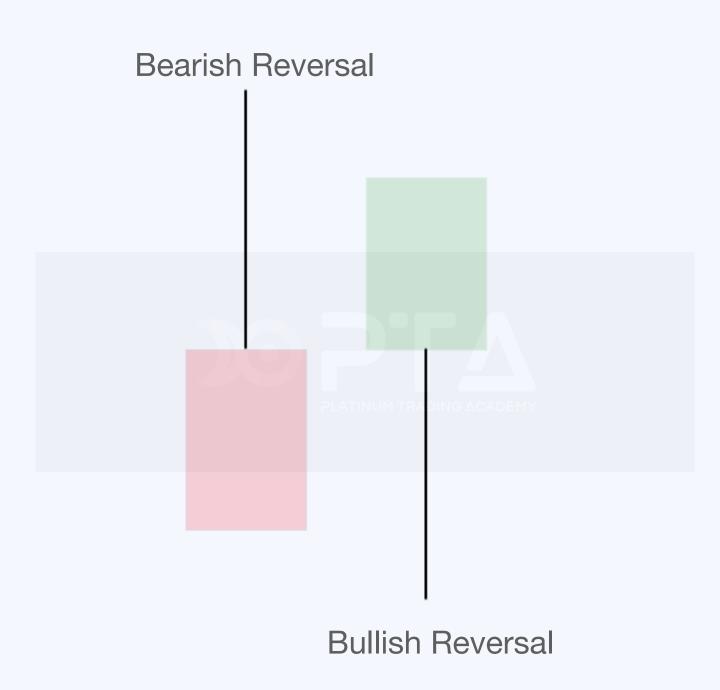

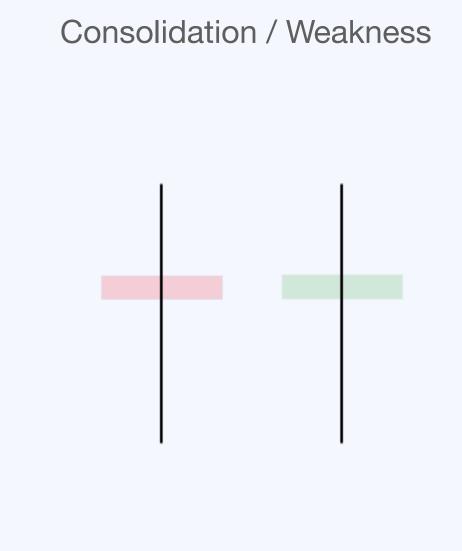

Apply these ideas to the examples shown in this guide

#### CANDLE TYPES

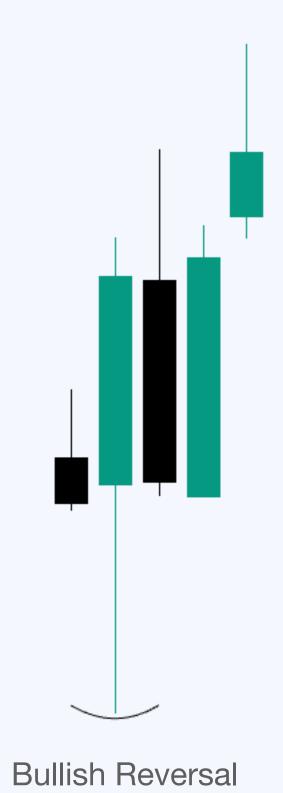

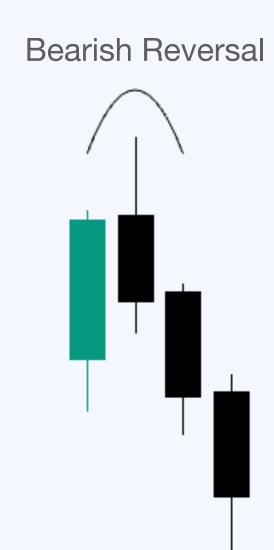

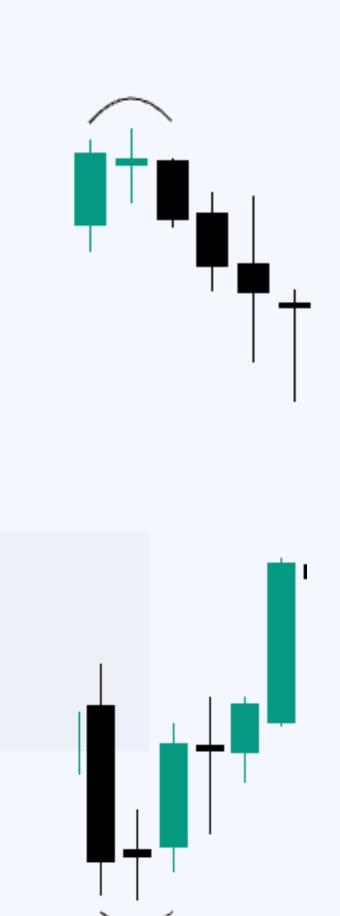

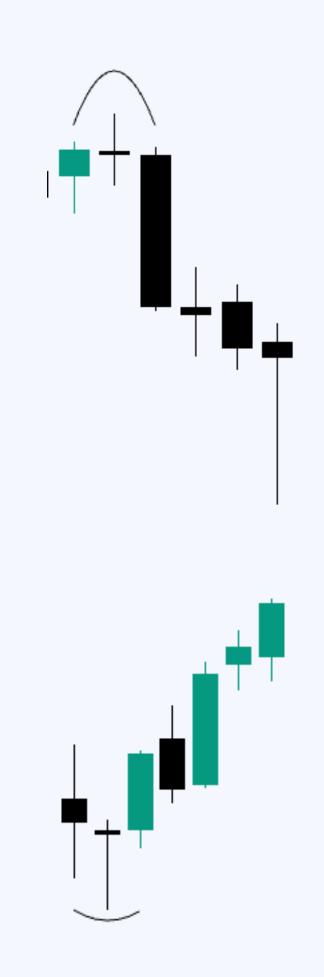

#### PIVOTS

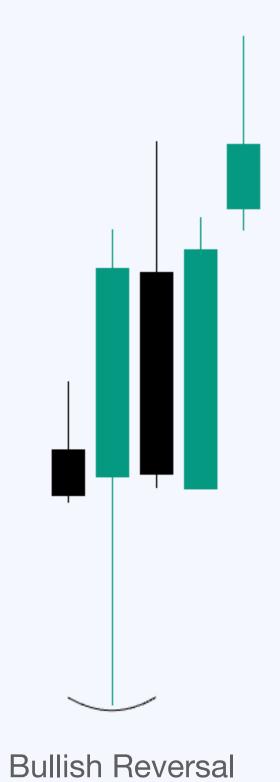

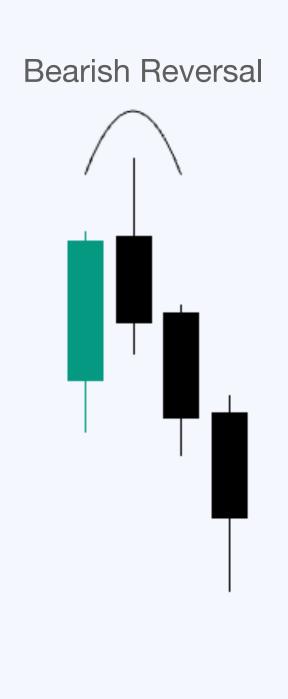

#### PIVOTS

Pivots are the easiest way to see directional changes that lead to possible expansions

Combine this with the following to capture possible expansions:

IPDA
Premium & Discount Arrays
Time (Q,M,W,D)

Weekly Profiles

Economic Calendar

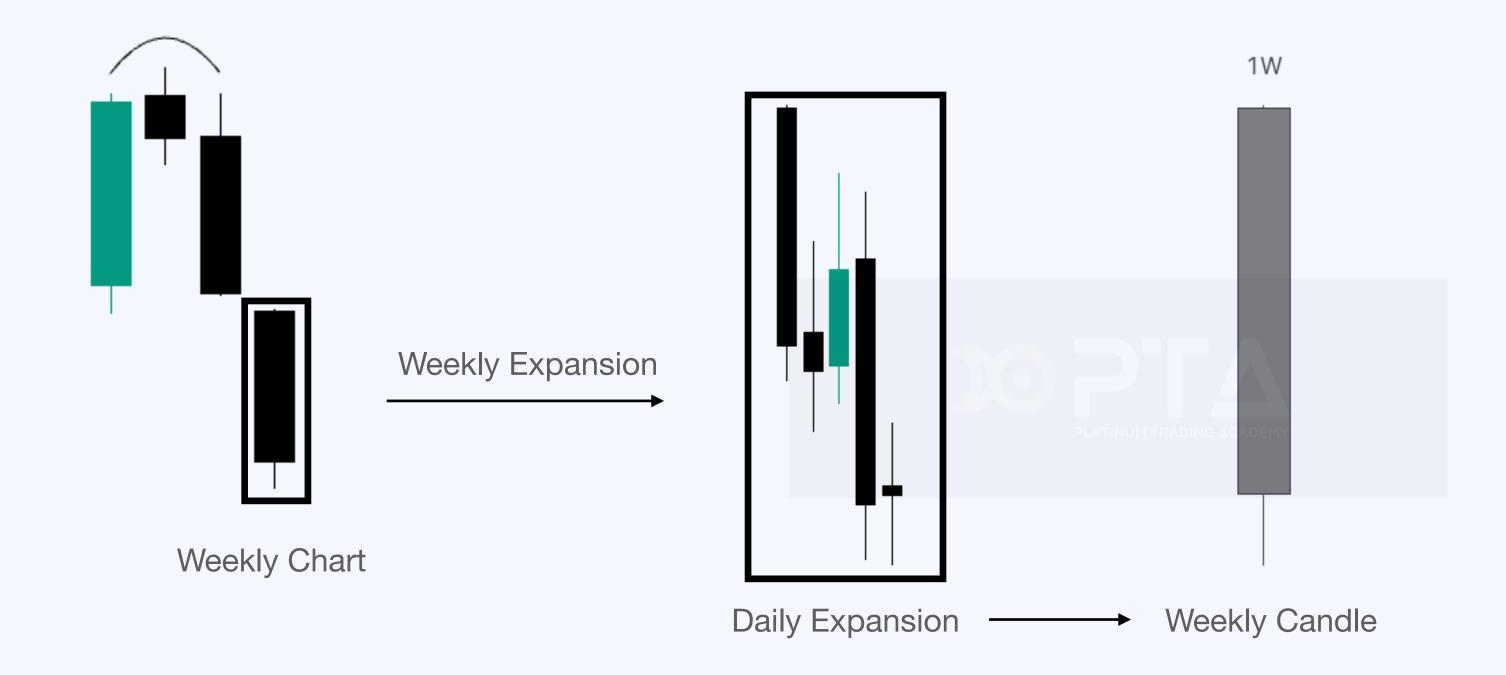

# PIVOTS WEEKLY PIVOTS

Opportunity to capture the weekly candles expansion comes from engaging price on the daily candle
